## **TITLE 820 STATE BOARD OF COSMETOLOGY EXAMINERS**

LSA Document #00-257

Under IC 4-22-2-23, the State Board of Cosmetology Examiners intends to adopt a rule concerning the following:

**OVERVIEW:** Change the reciprocity requirements for individuals who apply for a cosmetology, electrologist, or esthetician instructor licenses. Require individuals submitting examination applications to include a photograph. Require applicants to bring photo identification to an examination and to produce the photo for inspection. Eliminate the age requirement for individuals submitting examination applications for manicurists and shampoo operators. Add age requirement for individuals submitting examination applications. Clarify that an unsuccessful applicant may repeat the instructor written examination and change the additional required instruction. Clarify that an unsuccessful applicant may repeat the cosmetology written examination. Eliminate the requirement that an applicant who fails the repeat instructor examination will not be allowed to repeat the examination. Clarify that an unsuccessful applicant may repeat the manicurist written examination. Change the additional educational requirements to the fifth written examination and odd-numbered attempts. Clarify that an unsuccessful applicant may repeat the electrologist written examination. Change the additional required electrologist instruction to repeat the examination. Clarify that an unsuccessful applicant may repeat the shampoo operator written examination. Change the additional required shampoo operation instruction to repeat the examination. Clarify that an unsuccessful applicant may repeat the esthetician written examination. Change the additional required esthetician instruction to repeat the examination. Change the additional education requirement to the fifth written examination and odd-numbered attempts for estheticians. Change the sanitary and equipment requirements for estheticians and esthetics students in cosmetology school. Require 12 pairs of protective gloves on the premises. Change the courses cosmetology schools may offer and to whom the schools may offer the courses. Eliminate the requirement to attend cosmetology school for no more than eight hours a day. Change the number of instruction hours permitted off the school premises. Reduce the time students enrolled in cosmetology school have to complete the required education. Eliminate the requirement that education requirements have to be completed on the premises of an Indiana cosmetology school. Change the minimum number of education hours needed to graduate from cosmetology school. Repeal the definition of completion of esthetics course. Change the completion of a student's application by cosmetology schools. Eliminate the prohibition that a cosmetology or esthetics student is required to attend school after graduation. Change the number of square footage required for cosmetology schools. Change the cosmetology school requirements for classrooms. Require a cosmetology school to have a laboratory area. Require cosmetology schools to use a clock or computer to record the date or day and time a student attends school. Require restrooms in cosmetology schools be located within a 3,000 square foot area. Change the type of equipment a cosmetology school is required to have. Establish the licensure requirements for individuals teaching manicuring in cosmetology schools. Add specific curriculum requirements for cosmetology training. Remove one of the instruction requirements for an estheticians curriculum. Change the required specific curriculum for instructor training. Change the type of practical experience required for students on cosmetology training. Remove the eyebrow and lash tinting practical experience and performance requirements. Increase the minimum number of practical and performance requirement for waxing. Add the electric file/drill to the practical and performance requirements for manicurists. Remove pedicures and nail techniques from the practical and performance requirements for manicurists. Reduce the number of performances for salesmanship for manicurists. Change the practical experience title for salesmanship for manicurists. Repeal the student progress book for instructor training. Questions or comments concerning the proposed rules may be directed to: Indiana Professional Licensing Agency, Attention: Staff Counsel, 302 West Washington Street, Room E034, Indianapolis, Indiana 46204-2700. Statutory authority: IC 25-8-3-22; IC 25-8-3-23; IC 25-8-5-4; IC 25-8-6-4.
